Fact Sheet No 2 On Abuse In The Australian Defence Force

1.0 What is it?

- Physical Torture / Abuse, Mental Torture /Abuse and Sexual Abuse, things that would result in vigorous prosecution in the Civilian World under Work Safe Acts such as Brodie's Law – But Defence thinks, that like the environment, if you ignore the attention on the abuse will just go away!
- Attacking and demeaning Australian Civilians – Search Townsville Facebook Scandal
- Abuse of power including non payment of bills– results in the decimation of Australian Companies and jobs.

2.0 What Is The Impact:

- Shattered lives, people being placed under guardianship orders, people being detained in Mental Health Hospitals!
- Lost Australian Jobs!
- Greatly weakened Defence Force as the better candidates refuse to join. After all in light of recent events, would you let your son, daughter or partner join? – **Of Course Not!**
So Defence and the Nation's safety is weakened through substandard recruits!

The abuse also creates people like Julian Knight who murdered the people on Hoddle Street, Melbourne in 1987.

3.0 Who Does It?

- Typically the victims peers and seniors

4.0 Who Covers It Up?

- More Senior Officers in Defence supposedly for the “Good Of The Service” – when in reality they mean the “Good Of Their Careers”!

5.0 How Does Defence Cover It Up?

- Make the victim feels as if they deserved the abuse!
- If that doesn't work, admit their investigation was wrong but never fix it for the future.
- If that does not work, announce new procedures, rather than enforce the ones they have.
- If that doesn't work, place the abusers on suspension – which is effectively a paid holiday but sounds impressive to civilians but then take no further action.
- If that doesn't work, wait for a new election and turn over people in the Parliament so that they can go back to business as usual due to the loss of knowledge in Parliament.
