**STATEMENT OF SERVICE**  
**ON RETIRED LIEUTENANT COLONEL KAREL DUBSKY**

Karel Dubsky was not a member of the group that called itself the Jedi Council and did not participate in the activities of that group. He freely assisted New South Wales Police and the Australian Defence Force Investigative Service with their investigations. On 20 October 2013, the Chief of Defence Force, General Hurley, accepted that Mr Dubsky was not part of the activities of the Council.

Defence would like to recognise Karel Dubsky's service noting that he was a graduate of the United Kingdom Command and Staff College and conducted operational tours of East Timor in 2002 and Afghanistan in 2006/07.

Karel Dubsky was medically discharged from Defence in January 2015 as a result of injuries sustained during his service.
